

Help Keep Wind Lake Beautiful

Let's kick off the Spring season right!

Join us Sunday, April 17th at 10am for an Adopt-A-Highway community clean-up.

The section we will be cleaning is HWY 36 starting at South Wind Lake Road then north to the dam just before you hit Muskego Dam Road.

Look for the Adopt-A-Highway signs that read, *Rich and Becky Von Haden*. It is roughly a 3.2 mile stretch of HWY 36.

On April 17th, please meet at the sign located at the intersection of HWY 36 and South Wind Lake Road. From there we will travel northbound cleaning up all sides of HWY 36.

All materials and equipment needed will be supplied to you.

We encourage you to bring water to drink to prevent dehydration and wear bright colored, comfortable clothing and footwear.

Carpooling is encouraged so we don't have too many cars on the road side.

Children under the age of 16 must be accompanied by an adult.

To join in this effort, please contact Rich and Becky Von Haden at 895-3583 or email rebecca.vonhaden@cityofracine.org

FUTURE CLEAN-UP DATES FOR 2011

May 15th

June 12th

July 17th

August 14th

September 11th

All dates are Sundays and start time will be 10am*

Meeting location will be at the Adopt-A-Highway sign at the intersection of HWY 36 and South Wind Lake Road.

*The only weather that will prevent us from litter pick up is down pouring rain. Otherwise clean ups will go on as scheduled.

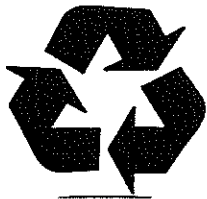

All Wind Lake residents are welcome to join in this anti-litter clean-up effort.

It is important to keep main roads and highways clean, as they are the most susceptible for litter. We encourage everyone to put forth the litter control clean-up effort in their own neighborhoods as well.

Together, we can help keep Wind Lake a beautiful, clean town.

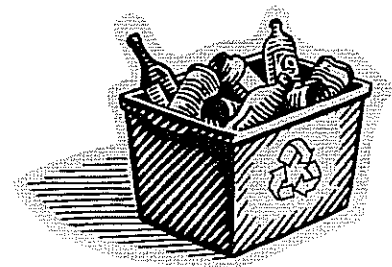

Rich and Becky Von Haden
